DCI/IC 77-1935

14 NOV 1977

MEMORANDUM FOR: Director of Central Intelligence

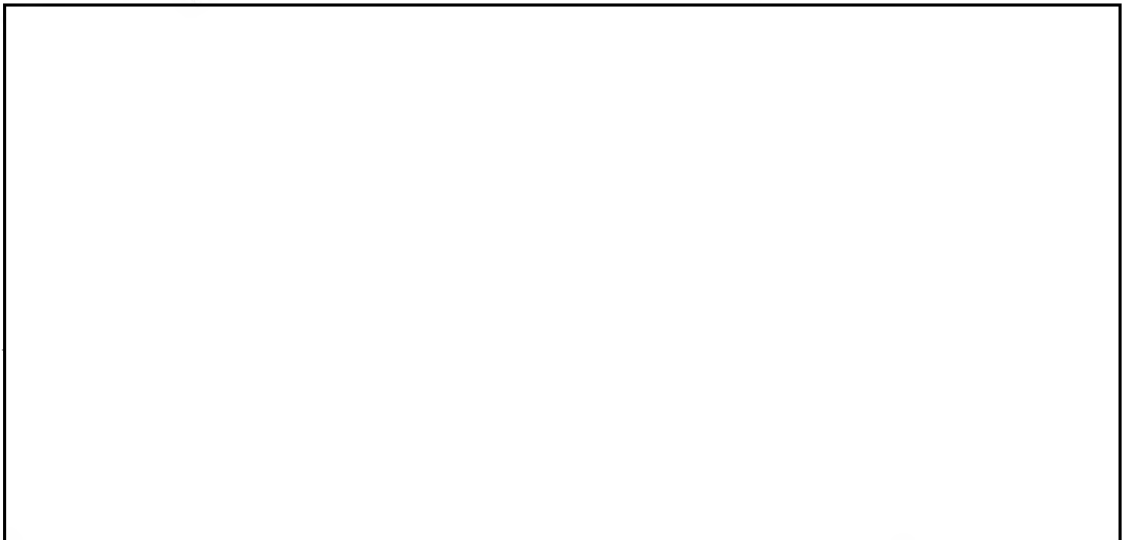

FROM: John N. McMahon  
Acting Deputy to the DCI for the  
Intelligence Community

SUBJECT: Revision of DCID 1/16, "Security of Foreign  
Intelligence in Automated Data Processing  
Systems and Networks" (U)

REFERENCE: Memorandum to DCI, DCI/IC 77-1925, dated  
3 August 1977

1. (U) Action Requested: That you approve the attached proposed DCID 1/16 as a future NFIB agenda item.

2. (C) Background: In the reference you approved the circulation to NFIB members for comment the Security Committee version of an updated and revised draft DCID 1/16. Comments have now been returned to the NFIB Secretariat and the consensus opinion supports the draft DCID as circulated. Some recommended editorial changes have been incorporated in the attached version of the DCID; however, the substantive thrust remains unchanged. The areas of basic disagreement are the same as reported out of the Security Committee in referenced memorandum.
